

SECRET

NATIONAL INTELLIGENCE PROGRAMS EVALUATION
VACANCY NOTICE

-
1. POSITION TITLE: Systems Analyst GRADE: GS-15 SLOT NO.
COMPONENT: Systems Analysis Group, DCI/NIPE
-

2. DESCRIPTION OF JOB:

Evaluation of intelligence programs, including development of techniques which permit determination of effectiveness and cost-effectiveness. Duties are substantive and managerial. The substantive duties require familiarity with systems analysis, hence some knowledge of mathematics, statistics, and marginal analysis. However, emphasis is on the application of logic to problem solving. The managerial duties require ability to organize and direct the efforts of persons and units (e.g., interagency groups) supporting studies.

3. QUALIFICATIONS DESIRED

- a. Experience pertinent to systems analysis.
 - b. Ability to organize and guide efforts of non-Staff personnel.
 - c. Determination, with tactfulness.
-

4. DEADLINE FOR NOMINATIONS: 14 March 1969

Candidates at grades 14 and 15 are encouraged to apply.
Supervisor does not have a candidate.
